Dear Mr. Hooper:

Colin Bruce sent me a copy of your Mail Bid Sale #3, closing July 19, 1997 and asked me if I wanted to bid. I told Colin that I knew your father for many years.

I would like to acquire the following items:

#157
#161
#162
#163

I will bid your estimate on each of them with a 20% discretionary increase if needed.

I call your attention to your inserting #158 as a lot number which apparently does not exist and is really part of #157.

My address is: 6450 Cecil Avenue
St. Louis, MO 63105
Phone: 314-727-0850
Fax: 314-727-0820

Dear Dick:

I am sorry to be disappointed with my first auction purchase from you. I am returning herewith all four items you sent due to condition. You described them as at least fine. Lots 161, 162, and 163 are each completely missing their back page. Lot 157 (of which I already have a defective copy which I wanted to improve) is missing most of the back page.

I have just finished checking the page proofs of the 4th edition of The Early Paper Money of America which will be out soon. It is nice of you to mention the original edition you still have.

Better luck next time to both of us.

Kind regards,

Eric P. Newman
